

Great American's Environmental Division was launched in 2008 and is one of the few carriers serving the environmental industry with such longevity. For 15 years, we have been committed to providing best-in-class insurance solutions to a wide range of commercial customers and are thankful for the loyal and trusted collaborations we have built with our brokers and agents. Throughout the years, we have strived to allow your clients to focus on what truly matters: keeping their business strong, and in turn, keeping our planet clean for generations to come.

In celebration of our 15th anniversary, journey with us down 2008 memory lane - oh how far we have come!
