

Clean & Green Solar Energy

Saving energy for you and the environment

Thousands of Americans have embraced clean energy technology - including Great American. While our corporate headquarters is a “green” office tower with LEED certification, we’re proud to offer coverage for the fastest growing form of alternative energy with our Clean & Green Solar Energy Coverage. It’s never been easier to cut down cost while preserving energy and protecting the environment.

Eligible Property

We’re committed to helping to preserve the environment, starting with businesses like your clients’. From installation contractors to project and property owners, we’re proud to serve a variety of customers. Our appetite also includes hotels, apartments, and leasing entities. Other qualifications include installation projects, permanent arrays for solar fixed panels, building integrated photovoltaic, and moving panels.
