

Signature Business Auto Broadening Endorsement

Social service organizations spend significant time on the road. Both employees and volunteers can be assigned duties that include running errands or traveling to visit clients in personal vehicles. Religious organizations and schools may have large fleets of 15-passenger vans or school buses that transport elderly and youth. Homeless shelters, food banks and thrift stores may use box trucks and accept donated vehicles.

Because of this, Great American's Specialty Human Services offers liability and property damage protection for both an organization's owned vehicles and hired and non-owned autos. The industry-leading **Signature Business Auto Broadening endorsement** has 24 coverage enhancements designed to provide broader benefits beyond the scope of a client's standard Business Auto Policy.

Coverage Highlights Include:

Expanded Non-Owned Auto Coverage: Organizations whose employees or volunteers drive their personal autos on an organization's behalf will benefit. The endorsement amends *Who is an Insured* to automatically include employees and volunteers.

Automatic Additional Insured: When a contract requires, this enhancement provides additional insured status and includes Waiver of Subrogation and Primary and Non-Contributory provisions.

New Physical Damage Coverage: For newly acquired and donated autos, this enhancement provides up to \$100,000 in physical damage coverage.

Increased limits

Supplementary Payments – Bail Bonds: Limit increased to \$5,000

Supplementary Payments – Loss of Earnings: Limit increased to \$1,000 per day

Physical Damage Coverage Extensions – Transportation: Limit increased to \$100 per day with a max of \$3,000/occurrence

Hired Auto Physical Damage Coverage – Loss of Use: Limit increased to \$100 per day with a max of \$3,000/occurrence
