Specialty Human Services

Great American Insurance Group

For nearly 40 years, Great American Insurance Group has provided expert insurance solutions to the human and social service marketplace. We were one of the first insurance companies to recognize the special needs of these organizations. As this sector has matured and developed over the years, we have expanded our coverage and service offerings to ensure we meet the evolving needs of the marketplace.

The creative, generous individuals who serve their communities by sharing their talents not only require, but deserve an insurance carrier who respects and understands their specific business models, risk exposures and unique challenges. It is our passion and immense pleasure to be the trusted insurance carrier of those who are experts in their specialized field.
