

## Non-Trucking Liability

### Trusted protection at every turn

Helping a friend move, going on vacation or driving to the store to pick up a gallon of milk, can have severe consequences for a truck driver if the right insurance coverages aren't in place. Non-Trucking Liability can respond to losses like this. Without it, there's a potential gap in coverage that can open the door to lawsuits, or even bankruptcy, which could be devastating to you, your business and your family.

Non-Trucking Liability is an affordable, easy-to-administer, proven product.

*Coverage includes:*

- Third party Bodily Injury and Property Damage Liability on a Combined Single Limit Basis
- Medical Payments/Personal Injury Protection (where required by state law)
- Uninsured/Underinsured Motorist coverage (where required by state law)
